

**PDS SMALL GROUP DISCUSSION: 10/6/05**

**QUESTIONS TO PONDER: *THE SPIRIT CATCHES YOU  
AND YOU FALL DOWN***

- 1 How do doctors achieve multicultural understandings of patients that give illness context and meaning?**
- 2. How should doctors honor their patients' cultural beliefs and practices that may be in opposition to standard medical practice?**
- 3. Where does the soul fit into the practices of American medicine?**
