

Medical Humanities Symposium 2017: GROWING INTO THE WHITE COAT

University of California, Irvine School of Medicine
January 21, 2017

My goals, my focus, and what I want to take away from today:

Keynote Speaker: Paul Lyons

Interesting and Relevant Points:

Workshop 1:

What interested, challenged, and/or inspired you?

What will you take away from this workshop?

Workshop 2:

What interested, challenged, and/or inspired you?

What will you take away from this workshop?

Lunch- Plexus Art Display, Medical Humanities Research Display:

Did you see anything that interested, challenged, and/or inspired you?

Workshop 3:

What interested, challenged, and/or inspired you?

What will you take away from this workshop?

Final Impressions:

Any lasting questions, thoughts, or ideas?
