

## AoD – Stories of Sickness

January 11, 2023

Timing - Two hours

10 min intro exercise (hide non-participant view)

Questions:

1. I continue to read for leisure
2. I make time to creatively express myself (writing poetry, stories, drawing, playing music, dancing)
3. Do you sometimes wish you could spend more time listening to the patient's story?
4. Have you often felt rushed listening to a patient's story?
5. I enjoy listening to patients' stories
6. I sometimes feel impatient with patients' stories
7. I wish I had more time to ask about social determinants of health
8. I've had at least one patient where listening to their story changed my mind about how to proceed with their care.
9. Do you sometimes wonder what's important and what doesn't matter in a patient's story?
10. Thinking about other people's stories helps me to be more curious
11. Thinking about other people's stories helps me to see alternatives
12. Sharing my own stories strengthens the medical team
13. I feel confident that I can co-create a story with a patient
